Mission Statement

In partnership with students, parents, and community, the CVMS staff will educate our children to be successful lifelong learners and productive citizens.

Principal's Highlights

At CVMS, we focus our attention on solid instructional practices and strive to encourage students to be life-long learners. Further, we are committed to using student data to inform instruction.

- Co-teach classes in core subject areas across all grade levels, 6th, 7th, and 8th.
- Supervised computer lab tutoring and library access during lunches and advisory.
- Implemented 24/7 math and ELA remediation and enrichment opportunity via the school's website.
- Up-to-date access for parents to view student grades using the PowerSchool Portal on the school's website.
- A total 170 minutes/week of advisory time built into student schedules facilitating reading and remediation.
- Staff collaboration and/or professional development time is built into each week's schedule.
- Tutoring available to all students three afternoons per week, transportation provided two of the three afternoons.
- College Board's Springboard curriculum in all English classrooms increases rigor and vertical alignment across each grade.

Goals and Objectives

Goal 1

Maintain and/or increase the percentage of proficient students in the area of math and ELA as measured by the spring NEWA/MAP assessment.

Objective(s):

Increase 8th grade student performance in math and ELA while maintaining or increasing 7th grade performance in math and ELA. 8th grade student performance results failed to keep pace with those of the 7th grade student population on State mandated assessments.

Goal 2

Increase meaningful parent collaboration with Carson Valley Middle School.

Objective(s):

Re-Invigorate the school-wide PBIS program. Provide staff professional development activities with State school climate representatives. Increase the volume of the parent volunteer and/or correspondence over previous school years.

School Communication Efforts

CVMS communicates with parents in several ways. The school website provides information about school activities, athletics, and other special events. Catalogs and student handbooks are accessible via the school website and through multiple offices throughout campus. Parents receive a monthly informational newsletter via U.S. mail and/or email. Parents can access real-time grades and glimpse into the grade book of their student via the student accounting system. The parents of 6 and 7th grade students are invited to a "Back to School Day" before the start of school and all parents are encouraged to attend "Back to School Night." The parents of 8th grade students meet with counselors to receive specific information regarding the transition to the high school campus, graduation requirements, and to set goals for each student. In the spring, parents are asked to complete a survey with the intent to get constructive feedback regarding their thoughts about school safety, staff, and programs. A parent organization, which is open to all parents, meets monthly to discuss school needs.

Demographics and Student Information

Data are provided by the Nevada Department of Education from the state student information system. Gender, race/ethnicity, and special student populations are reported as of count day.

Per-Pupil Expenditures 2014-2015

The Nevada Department of Education in consultation with In\$ite adjusted the formula used to calculate per pupil expenditures beginning with the 2009-2010 Annual Reports of Accountability. Therefore, we have two appropriate comparisons sets; comparisons 2003-04 SY through 2008-09 SY and comparisons of 2009-10 SY and forward.

Douglas Total Cost Per Pupil = \$10569 District Total Cost Per Pupil = \$8785
